LANDGARTEN

30 years experience

Since 1989 Landgarten is specialized in the production of highest quality, organic products. From day one we were focusing on nutritious snacks with an additional value: great taste, 100% organic, 100% gluten free and 100% palm oil free. Our distinctive range includes nutritious and innovative soya snacks, various snack mixes as well as delicious fruits covered in finest chocolates.

Currently Landgarten is working with partners in 30 countries all around the world. As a flexible and reliable partner we seek for long term partnerships based on respect for people, nature and highest quality products.
