

The SPAR International range of own brand products provides SPAR retailers with a multi-tiered own brand pricing structure, allowing them to tailor their own brand range to both format and location.

A key focus for SPAR International is the development of SPAR Own Brand product ranges that deliver on current trends, meet our shopper's needs and positively impact the local offering of all of our partners.

These ranges are designed to drive SPAR partners value proposition as well as provide an assortment variety that provides shoppers with more choice and complements the existing local market offering.

More information on each product range as well as the individual products within each range can be found in the following pages.

*This document covers the following SPAR Own Brand Ranges:*

- SPAR Core Products
- SPAR Taste The World Range
- SPAR Mexican Range
- SPAR Italian Range
- SPAR Natural Range
- SPAR Eco Range
- SPAR N°1 Value Range

# SPAR Core Products

The Core range proposition is to offer SPAR retailers a wide range of SPAR branded products, which have the same or higher quality as an A-brand equivalent, but with a price point 15-20% lower than the A-brand.

The current assortment consists of 280 SPAR Core products across a range of different categories.

# Taste the World

# Taste The World

**SPAR Taste the World is all about great tasting, authentic products that have been sourced from local suppliers on recommendation by our SPAR colleagues from around the world.**

**SPAR has a presence all over the world, and our voluntary collaborative way of working unites independent retailers and links them to suppliers from their communities.**

**We are proud to provide those suppliers that have been trusted locally to grow and prosper by making their great tasting products available to our customers worldwide.**

**The Taste the World Range consists of products in the World Food category and is a group of high quality locally sourced products from all over the world.**

**The range focuses on authentic olive oils, olives and vinegars from SPAR in, Spain and Italy, as well as mustards, honey, bruschetta and cooking sauces.**

# MEXICAN RANGE

# MEXICAN RANGE

SPAR has developed a complete Mexican range that includes 21 SKUs. From tortilla wraps, to tortilla chips and different salsas to go with it.

It is a one stop solution that offers long-time popular products required for a full Mexican themed meal.

Additionally, some of the SPAR Mexican products are free of palm oil, a feature widely embraced by consumers nowadays. Make it Mexican!

# ITALIAN RANGE

# ITALIAN RANGE

The SPAR Italian Range includes a delicious selection of pasta sauces and pesto to pair with the different types of pasta which range from penne to fusilli and lasagne sheets.

Due to the wide variety of sauces, you can expect to have the most convenient cooking experience when trying all the different combinations of flavours.

The seven types of pasta available in the range have all been made using durum wheat semolina. Try the flavours and textures for a gastronomic experience that will take you right back to the heart of Italy.

# Eco Range

# Eco Range

This range was launched to support SPAR's existing product offerings while simultaneously working towards environmental prosperity for all.

The range consists of a variety of home care and disposable products which support our commitment to environmental sustainability and aim to reduce the negative impacts of production and waste on the environment.

Finally, it makes it simpler for retailers and consumers to act on their commitment to living sustainably.
